Dear Dr. Wagener:

It is a great pleasure to congratulate you on being selected as a member of the 2011 class of Fellows of the American Chemical Society. The Fellows Program was approved in 2008 by the ACS Board of Directors to honor our members who have demonstrated excellence in their contributions to the chemical sciences and in service to the ACS and the chemistry community. The full list of 2011 ACS Fellows will appear in the August 8, 2011 issue of *Chemical & Engineering News*.

The 2011 ACS Fellows will be honored at a special ceremony during the ACS National Meeting in Denver on Monday, August 29, 2011. The event will be held at the Hyatt Regency Convention Center in the Centennial Ballroom A-E from 1:30pm – 4:30pm. We hope you will be able to join us.

Once again, my heartiest congratulations on being named an ACS Fellow. Thank you for your contributions to chemistry and to our Society.

Sincerely,

John E. Adams, Ph.D.
